Hey Michael,

You should have been to the HCGOP meeting last night. It was a complete Cluster [Expletive Deleted] !!!

Practically none of the precinct chairs that were at the last meeting that voted on the Party Disloyalty Resolution were there this time. You're Welcome.

Another closed session, but nothing about party disloyalty. Do you recall that Debbie King, Ken Henson and Pat Carr were pitching a fit to the State Board of Elections trying to get an audit? Well, they got it. \$472 penalty for excess cash. The State Board tasked Pat Carr with completing information on two (2) .xls file getting donor information to return back to the state. Ted Carr made a motion to go after Richard West to recapture the \$472, but Ken got squishy, said he had better things to spend his time on. But guess what? There are two people who get to take responsibility for funds - The Treasurer and the Chair, which would be Ken Henson. He would have to go after himself. This penalty covered the years 2015 and 2016. Lisa Womack was Treasurer in 2015, but Ted Carr forgot to bring up her name. What goes around - comes around.

Anyway, I did the best I could taking notes without laughing myself to death, so I scanned them and here they are. See five (5) attachments.

By the way, guess how much money they have taken in? \$0.00

You should have come.

Monroe
