Subject: Accepting \$2,500 donation for authentic original souvenir Kebbie Button.

Accepting a \$2,500 donation (no checks please) for my original authentic souvenir Kebbie Button. Only about a dozen of these buttons were ever produced. Supply and demand, you know! All proceeds go to a legal defense fund / #gofundme against Debbie King's, and her bottom feeding lawyer, Rusty McLean's, lawsuit against Richard West, Jeremy Davis and Eddie Cabe (+ 6 John Doe's) 18CVS116. When the case is dismissed, remaining proceeds to be donated to the Haywood Republican Alliance (HRA).
