Dear Robin Hayes Chairman North Carolina Republican Party,
Michele Nix Vice Chair North Carolina Republican Party, and Cartel and assorted Lawyers

We Still have this pesky matter of the ""NO TRESPASS"" Letters sent out by NCGOP Chief Legal Counsel Tom Stark under direction of the NCGOP Vice Chair Michele Nix to the Citizens of Haywood County (and I am told several other Counties). At Least 3 Citizens of Haywood received these letters Eddie Cabe, Paul Yeager, Jeremy Davis.

As I understand the rule of Law, the Law Enforcement in this county, CAN NOT recognize this letter, as it is not signed by a Judge, just a Lawyer doing the bidding of a few folks in the leadership at NCGOP with absolutely NO evidence to back any of these Letters/Charges up.

I have included my County Sheriff, Mr. Greg Christopher in this email.

RE: NOTICE OF TRESPASS

Mr. Stark,

This is a Rebuttal and appeal of your letter of May 16, 2017 regarding alleged misconduct, which I deny except for some items posted on Facebook. I fail to find that you have complied with the basic rights of all respondents, in your communication; including but not limited to: A right to confront witnesses, a public hearing, a right to counsel and a right of appeal.

HEARSAY is not evidence of anything except gossip and your generic complaints seem to be based solely on verbal utterance. If not, I request all written correspondence, including emails, where I am mentioned by name. Your letters are apparently without authority and I will ignore them until you produce, not only regulatory or legal authority but approval by a duly constituted committee of the NCGOP, specifically designed to investigate complaints on me.

Members of political parties are not pawns to be moved on a board but are, as you, dedicated to the attainment of political and governmental objectives. My political objectives are based solely on Biblical truths, my family, my oath to the Constitution, and ARE consistent with the ideals and mission the North Carolina Republican Party Platform. We may have differences, at times, but these do not justify the banishment of one group over the other. I am a dedicated lifelong Republican who registered to vote at age 18, at Homestead Air Force Base in 1979 . My first vote was for Ronald Reagan. I have served faithfully over the years. I might have been a bit outspoken and politically incorrect in my discussions, but I have not threatened anyone, female or otherwise.

I appreciate your service, and like you, I just want to continue in my service, participation, unabridged freedom of speech, right to peaceably assemble and take part in the Political Process.

Any allegations that I have committed libel are without foundation.
I pose no threat to anyone.

In Conclusion, I believe you and the NCGOP, if they authorized these proceedings, have rushed to judgement without facts. I respectfully request you withdraw the Notice of Trespass, and discontinue any actions against me or any other Republicans of Haywood County

Sincerely,
Eddie Cabe
Lifelong Republican and Patriot

I respectfully request you withdraw the Notice of Trespass, and discontinue any actions against me or any other Republicans of Haywood County.

I sincerely hope the NCGOP have Bigger Fish to Fry, Y'all do realize a very important election, 2018 is fast approaching !

Sincerely,
Eddie Cabe

Eddie,

This no trespass letter from Stark means nothing - totally unenforceable. Good luck in getting any kind of response from this character Robin Hayes. By the way, I did add an additional e-mail address for Robin Hayes, in case he misses the first two - Robin Hayes <communications@ncgop.org>.

I understand that a question arose during the Kangaroo Court ExCom meeting Saturday whether or not KEVIN ENSLEY was censured by HCGOP. Ken Henson was called upon to respond, and evidently gave a similar response to that when he was called as a witness in my case against CHARLES DOUGLAS WRIGHT for communicating a threat to me - "BACK OFF, OR THERE WILL BE BLOOD RUNNING OUT OF BOTH YOUR EARS". Ken Henson, who was present at that meeting, lied his [expletive deleted] off when he responded when asked if he heard CHARLES DOUGLAS WRIGHT communicate the threat - "I don't want to say what I think I heard". This was before District Court Judge DONNA FORGA, and CHARLES DOUGLAS WRIGHT was being defended by his son in law, now mayor of Canton, ZEB SMATHERS. Ken Henson allegedly responded at the meeting, something to effect that he did not recall.

Just to refresh everyone's mind, KEVIN ENSLEY was censured by HCGOP, with Ken Henson presiding as chair (but the meeting was really being run by Kebbie (i.e. Ken Henson and Debbie King). Here is a copy of that censure resolution, suitable for framing...

RESOLUTION TO CENSURE KEVIN ENSLEY [R]

MEETING: HCGOP meeting, 6:30 pm, July 27, 2015

TOPIC: RESOLUTION TO CENSURE KEVIN ENSLEY

SUBMITTED BY: HCGOP

AUTHORS: Monroe Miller, Precinct Chair, Allens Creek.

WHEREAS, Kevin Ensley, a Republican [R] voted for a county Revenue Neutral Tax Increase, and voted for a 4.58% increase in the property tax rate in this year's proposed budget; and

WHEREAS, He has voted with the current four (4) democrat commissioners in excess of 95% of all spending increases for Haywood County over the past four years; therefore be it

RESOLVED, It is the vote of the HCGOP Executive Committee that Kevin Ensley is censured for his behavior.

Approved by a vote of the HCGOP Executive Committee by a vote of 12 FOR, 0 AGAINST, 1 ABSTAIN.
Motion Passed Unanimously.

So, with this censure of KEVIN ENSLEY by our own party in Haywood County, why in the world was I banned for party disloyalty for not supporting this character? I also added ENSLEY's e-mail address to this e-mail.

More to come ...

I received this E-mail from KG Watson and got his okay to share it with ALL...whomever you wish to.

The NCGOP must, if it is to be a respected entity, stop the merry-go-round this INSTANT and; try to heal the wounds that have developed over the years. This can be done IF they elect to take some advice from some of us who value peace and harmony OVER a constant disruption of democratic processes. There might still be bitterness BUT this should not be permitted to affect the new people, incoming constantly, wanting to be effective members of a viable party. If WE don 't advocate some peaceful approach to the healing of Haywood, then this state Party will be in 'full retreat'. Not a happy Prospect but a possibility. Let's do it the smart way.

Hey Robin,

The Haywood 5 have not received any notification from NCGOP about being banned from party activity yet. Who is supposed to be sending that out? Can you use e-mail and will you do it?

By the way, I don't know if you were aware, but the Resolution Tom Stark included in his *CONFIDENTIAL COMMUNICATION* from District 11 (that's the Aubrey Woodard bunch) was a blank form. WTF?

See it here on my website, www.haywoodftp.net:
<http://haywoodftp.net/pubII/171108-11thDistrictResolution.pdf>, and also attached.

Can you get this character Woodard to send the Haywood 5 copies of the signed Resolution, by however many of these District 11 types actually signed it?

As an aside, Woodard was the character appointed Sargent at Arms at my "Fair and Open Hearing" Kangaroo Court held by the HCGOP and was the first person to attempt to eject me from the meeting for not turning off my audio recorder.

HCGOP Notice of Hearing sent to Executive Committee Members, via FedEx. 7/18/2017. 7/20/2017...
HCGOP RULES FOR THE HAYWOOD COUNTY EXECUTIVE COMMITTEE MEETING, 8/3/2017.
These rules describe a fair and open hearing against Monroe Miller (me), except I was thrown out of the meeting before it started by a Sheriff's Deputy, because I refused to turn off my audio recorder. 8/3/2017...

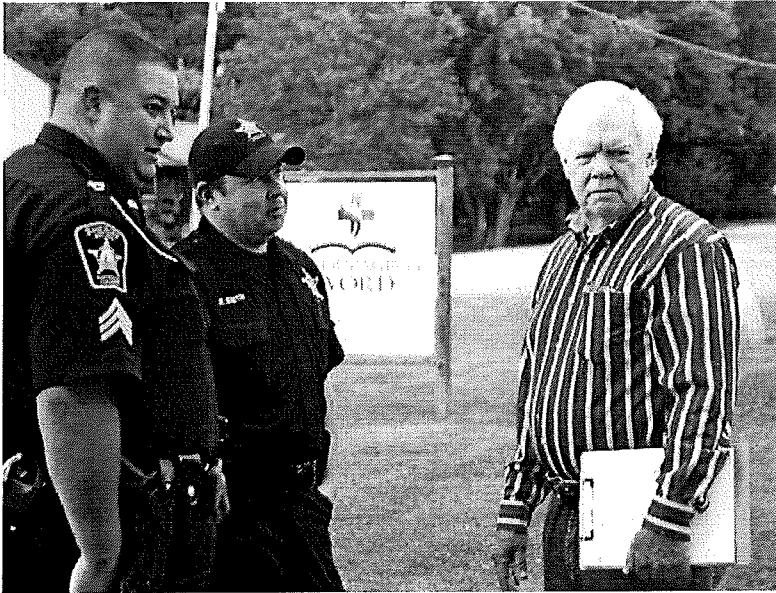

Audio Recording of my being thrown out of my 8/3/2017 HCGOP "Fair and Open Hearing" by Aubrey Woodard (District 11 Chairman) and Haywood County Deputy Sheriff Trantham. 8/3/2017 8/9/2017...

Woodard was carrying a side arm under his coat. Why did Kebbie think Woodard should be carrying a gun, and I could not even use a simple audio recorder?

"Kebbie" (i.e. Ken Henson and Debbie King)

They had already summoned to armed Haywood County Sheriff's Deputies.

Please have Woodard send us on over those signed Resolutions.

Thanks a bunch,

Dallas Woodhouse here.

I will address these issues one last time.

Any organization or property owner/manager has a right to control access to their property.

Property they own or have legal control over.

The trespassing orders are legal and remain in place. We will not be lifting them.

Second: Under the NCGOP plan of organization, the Executive Committee has spoken. The rulings are final. There are no appeals.

We consider the matter closed.

Hey Robin!

I don't know if you are aware of this also, but the Resolution Tom Stark included in his *CONFIDENTIAL COMMUNICATION* from Haywood County, that's the Kebbie (i.e. Ken Henson & Debbie King), Lynda Bennett and Pat Carr bunch, was another blank form! WTF?

See it here on my website, www.haywoodtp.net: <http://haywoodtp.net/pubII/171108HaywoodResolution.pdf>, and also attached.

Can you see if you can get either Debbie King or Lynda Bennett, you know, the people Dallas Woodhouse yelled to after the Saturday meeting was over in the lobby that he didn't want to hear from either one of them for six (6) months, to send me copies of the signed Resolution, however many of the HCGOP Executive Committee signed them.

While I enjoy Dallas Woodhouse's e-mails (although they seem disjointed), please let him know that I am not appealing anything, rather asking for -

- Signed Resolutions from District 11, which should have been presented to the Executive Committee,
- Signed Resolutions from HCGOP, which should have been presented to the Executive Committee,
- An indication if you, Robin, knew how to use e-mail and were going to send the Haywood 5 notice that four of us have been banned and one had been dismissed.

Robin,

Wanted to let you, Dallas, Tom, and Michele know that we had our private little Party Disloyalty Party yesterday.

Announcement! There will be a Party Disloyalty Party at my house, irregardless of tomorrow's NCGOP ExCom meeting in Cary, NC. Click for particulars. 11/10/2017...

We had all of the people that were not able to make it to your Kangaroo Court last weekend, plus a couple of other friends. We feasted on smoked Pork Butts (slow cooked for 14 hours) and all the other fixin's we normally have at our Pig Pickin'. By the way, I am including my recipe for my vinegar based BBQ sauce here. You all might want to try it...

Pickin' BBQ Sauce Recipe Pig
(Vinegar Based)
by Monroe A. Miller, Jr.

2 cups Vinegar
2 Tbs Brown Sugar
1 Tbs Ketchup
1 Tbs Delish Bajan Hot Pepper Sauce (from Barbados, W.I.)
1 tea Red Pepper (pulverized in coffee grinder)
1 tea Black Pepper (pulverized in coffee grinder)
1 tea Salt
3 cloves chopped garlic
1 Tbs Honey
1/8 tea Dry Mustard
1 Tbs Whiskey

- Bring to a boil in a sauce pan.
- Let simmer for 20 minutes.
- Pour mixture through a strainer
- Serve in a squirt bottle.

I understand there will be a public Party Disloyalty Party at the Haywood Republican Alliance (HRA) later this month, 11/28/2017, starting at 5:30pm. Hope some of you can attend.

Speaking of Ken Henson and Debbie King,

"Kebbie"

When they voted to remove me from the last HCGOP meeting on 11/6/2017, they later conducted business, and one of the business items was that Ted Carr asked for a reimbursement for some T Shirts he went out and bought (without the advise and consent of the Executive Committee) for the amount of \$300. !!!! WTF? Ted Carr took it on his own to purchase T Shirts, and sell them at the Haywood County Fair for \$20 bucks a pop. The Executive Committee at the 1/6/2017 meeting unanimously approved paying Ted Carr off (chair voted against). The two friendlies at the meeting voted to pay him off also, so as to deplete their funds quicker, because they are having difficulty raising money. Ask about the stupid Mega-BBQ that they can't sell raffle tickets for. Anyway, this would not normally raise any eyebrows, except in the Five (5) Financial Meetings in a row held by Kebbie (Ken Henson and Debbie King), they crucified Jeremy Davis for exactly the same thing, i.e., purchasing T shirts on his own, selling them at events, and charging HCGOP only for the cost of shirts sold. The exception here is that Jeremy had the blessing of the entire Executive Committee, whereas Ted Carr did not. Ken Henson is a hypocrite. Did he find out about Carr's nefarious activity only at this 11/6/2017 HCGOP meeting? I think not. Ken Henson ought to offer this resignation for not only lying his [expletive deleted] off at the CHARLES DOUGLAS WRIGHT hearing, which his son-in-law, Zeb Smathers [D] defended CHARLES DOUGLAS WRIGHT in front of District Court Judge DONNA FORGA [R], but for allowing Ted to purchase T shirts that were not the property of HCGOP when they were sold off at the Haywood County Fair. To any normal person, this is a good offer by individuals to assist in fund raising, but it was not within Ken Henson's comprehension to understand this type of financial operation. Ken Henson kept relating it to his dump truck business where he sells a load of sand and gets cash. That seemed to be about the extent Ken was able to understand this type of transaction.

Anyway, I could go on and on...

Please make plans to come to the HRA Party Disloyalty Party.

By the way, I have not yet received the requested material from you yet regarding:• Signed Resolutions from District 11, which should have been presented to the Executive Committee,

Robin,

In addition to the prized Pig Pickin' BBQ sauce recipe, I am going to share with you two (2) lessons in life I live by:

- If someone that is either elected or appointed to a position of power, and they either abuse that power or intimidate someone because of that power, I will go after them. This applies to you, Woodhouse, Tom Stark and Michele Nix.
- A lawyer can only render an opinion. It is the Judge that makes the ruling. This applies to Stark with his No Trespass letters and other threats.

All that I am asking are a few simple questions. Now you can choose to respond and answer them, and I go away, or you can dig your heels in the sand, which is where we are now. The questions are, in case you need to be refreshed -

- Signed Resolutions from District 11, which should have been presented to the Executive Committee,
- Signed Resolutions from HCGOP, which should have been presented to the Executive Committee,
- An indication if you, Robin, knew how to use e-mail and were going to send the Haywood 5 notice that four of us have been banned and one had been dismissed,
- Could you have either Tom Stark or "Dallas Woodhouse here" send us a copy of the affidavit with the Notary Seal?,
- Can you urge Kebbie (i.e. Ken Henson and Debbie King) to send me an official notice from the "Fair and Open Hearing" HCGOP Kangaroo Court Closed Meeting of August 3, 2017, you know, the one you send John Lewis to chair the meeting,
- Your concurrence that Ken Henson should resign as HCGOP Chair for being a hypocrite regarding the Ted Carr fiasco of getting reimbursed for selling T shirts at the Haywood County Fair that he personally bought in advance.

By the way, I think you have a little problem with Dallas Woodhouse. In addition to him being an Establishment Hack, it appears he is also delusional. In his last e-mail, in which he threatened me, he said: "Miller: I have told you to stop emailing us. ...". Well, I be darned if I can find any instance or reference in any of his previous e-mails that he told me to stop e-mailing all of you.

You know, the last time I was threatened was on 9/22/2016 by CHARLES DOUGLAS WRIGHT, when he communicated the threat to me: "BACK OFF, OR THERE WILL BE BLOOD RUNNING OUT OF BOTH YOUR EARS". That resulted in CHARLES DOUGLAS WRIGHT getting slapped with a MISDEMEANOR CRIMINAL SUMMONS.

Who is CHARLES DOUGLAS WRIGHT? 9/22/2016. 3/19/2017...

This is CHARLES DOUGLAS WRIGHT. 10/16/2016. 3/25/2017...

A little background on CHARLES DOUGLAS WRIGHT. This is the character that Ken Henson, Debbie King, Lynda Bennett and Pat Carr chose to have read the delegate list of people at the HCGOP County Convention for the District and State Conventions. 9/03/2016. 3/26/2017...

Can Dallas Woodhouse issue a "Legal Warning"? I would think he would have to delegate that to Tom Stark.

Eddie,
Great Picture and Caption.

Say Robin,

Can you prevail upon Dallas Woodhouse to send me the six (6) items I have requested for my files? I don't understand the delay...

- Signed Resolutions from District 11, which should have been presented to the Executive Committee,
- Signed Resolutions from HCGOP, which should have been presented to the Executive Committee,
- An indication if you, Robin, knew how to use e-mail and were going to send the Haywood 5 notice that four of us have been banned and one had been dismissed,
- Could you have either Tom Stark or "Dallas Woodhouse here" send us a copy of the affidavit with the Notary Seal?,
- Can you urge Kebbie (i.e. Ken Henson and Debbie King) to send me an official notice from the "Fair and Open Hearing" HCGOP Kangaroo Court Closed Meeting of August 3, 2017, you know, the one you send John Lewis to chair the meeting,
- Your concurrence that Ken Henson should resign as HCGOP Chair for being a hypocrite regarding the Ted Carr fiasco of getting reimbursed for selling T shirts at the Haywood County Fair that he personally bought in advance.

Robin,

Do you know that I have not received a thing yet from Dallas Woodhouse yet, regarding my request for information from you!

- Signed Resolutions from District 11, which should have been presented to the Executive Committee,
- Signed Resolutions from HCGOP, which should have been presented to the Executive Committee,
- An indication if you, Robin, knew how to use e-mail and were going to send the Haywood 5 notice that four of us have been banned and one had been dismissed,

Additionally, it has been brought to my attention that they may have been some serious infractions committed during the Executive Committee Meeting in Cary, regarding the Haywood 5. These infractions are centered on the following items:

- Roberts Rules of Order, 11th Edition
- NC Party Plan of Organization - section on Party Disloyalty.

We will get into more specifics of this shortly, but I am sure you can ask Tom Stark and Billy Miller about these - they will know exactly what I am referring to.

Since Dallas is dragging his [expletive deleted] on responding to the above request for information, can you re-direct this request to Tom Stark? I haven't had a good threat from him in a long time...

Thanks,

I have ordered Roberts Rules of Order, 11th Edition (not the latest version, but the one with page references to how Tom Stark and Billy Miller screwed up the Executive Committee Kangaroo Court in Cary), and should receive it Thursday.

Since both Dallas Woodhouse and Tom Stark are dragging their [Expletive Deleted] on getting this information to me, how about delegating this task to John Lewis. You remember John Lewis, he is the guy you sent to administer (chair) the HCGOP Fair and Open Hearing on my getting bounced as Precinct Chair of Allens Creek here in Haywood County, which I was thrown out of the meeting by Aubrey Woodard and two (2) Haywood County Sheriff's Deputies. Isn't he the second in command from Tom Stark?

See: HCGOP RULES FOR THE HAYWOOD COUNTY EXECUTIVE COMMITTEE MEETING, 8/3/2017. These rules describe a fair and open hearing against Monroe Miller (me), except I was thrown out of the meeting before it started by a Sheriff's Deputy, because I refused to turn off my audio recorder. 8/3/2017...

or

Maybe this guy Lewis can forward me the information I have requested. Let me know if your delegation skills are up to the task.

Did you see another Haywood County Employee resigned. These people are like rats leaving a sinking ship.

See: Another Haywood County employee Resignation - Stonewall Blevins, Assistant County Manager and Health and Human Services Agency guy. Can anyone around here connect the dots? 12/13/2017...

My idea is for HRA to start another Raffle. The Raffle would be to guess the next person to drop off-line. Winner gets a free copy of Roberts Rules of Order, 11th Edition.

Here is my current pick list:

- Julie Davie, Finance Director
- Chip, a.k.a. Leon Killian, County Attorney
- James Weaver "Kirk" Kirkpatrick III, Haywood County Commission Chairman
- Kebbie (Ken Henson and/or Debbie King)
- Robin Hayes, Chair - NCGOP

How much to you think these raffle tickets should sell for?

Hey Robin,

I wanted to tell you about Mike Clampitt's great Fund Raiser last night in Sylva. The event was packed, and there were no less than half a dozen NC House Representatives in attendance. Trish Chambers did a magnificent job of organizing this event.

One of the things I saw and heard for the first time was a rendition of the Stars Spangled Banner [re: The Stars Spangled Banner as you've never hear it - <https://www.youtube.com/watch?v=YaxGNQE5ZLA>]. It just makes you want to go down to an NFL game and onto the football field and kick those prima donnas in their [expletive deleted's] who kneel during the Nation Anthem.

One of the comical events of the evening, and you would have had to have been there, was the Haywood County incestuous cesspool all sitting at one table. They were:

- Donna Forga (Haywood County District Court Judge)
- CHARLES DOUGLAS WRIGHT (sitting next to Donna Forga)
- Cornelia Cree
- Lynda Bennett (and her husband Pat Bennett)

As you recall, I understand that a question arose during the NCGOP Kangaroo Court ExCom meeting Saturday whether or not KEVIN ENSLEY was censured by HCGOP. Ken Henson was called upon to respond, and evidently gave a similar response to that when he was called as a witness (under oath) in my case against CHARLES DOUGLAS WRIGHT for communicating a threat to me - "BACK OFF, OR THERE WILL BE BLOOD RUNNING OUT OF BOTH YOUR EARS". Ken Henson, who was present at that meeting, lied his [expletive deleted] off when he responded when asked if he heard CHARLES DOUGLAS WRIGHT communicate the threat - "I don't want to say what I think I heard". This was before District Court Judge DONNA FORGA, and CHARLES DOUGLAS WRIGHT was being defended by his son in law, now mayor of Canton, ZEB SMATHERS. Ken Henson allegedly responded at the meeting, something to effect that he did not recall. Cornelia Cree and Lynda Bennett also lied their [expletive deleted] off during sworn testimony. Donna Forga dismissed the case.

The only people conspicuously missing from this Fund Raiser was Kebbie (i.e. Ken Henson and Debbie King).

Anyway, I still have not received anything in writing from Kebbie or Aubrey Woodard regarding my being thrown out as Allens Creek Precinct Chair, nor you, Dallas or Tom Stark, about me being banned for 5 years from holding office in NCGOP. Here again is this very short list which maybe you can delegate to someone to get back with me on... HCGOP is having a meeting this coming Tuesday evening, and I would like to know (in writing).

- Signed Resolutions from District 11, which should have been presented to the Executive Committee,
- Signed Resolutions from HCGOP, which should have been presented to the Executive Committee,
- An indication if you, Robin, knew how to use e-mail and were going to send the Haywood 5 notice that four of us have been banned and one had been dismissed,
- Could you have either Tom Stark or "Dallas Woodhouse here" send us a copy of the affidavit with the Notary Seal?,
- Can you urge Kebbie (i.e. Ken Henson and Debbie King) to send me an official notice from the "Fair and Open Hearing" HCGOP Kangaroo Court Closed Meeting of August 3, 2017, you know, the one you send John Lewis to chair the meeting,

10.3) County Convention: Chair Ken Henson reported that we need to approve \$500 to hold the date at a location to be determined.

Pat Carr made a motion that we adjust the budget to create a line item in an amount no greater than \$500 to be used to reserve the location for the County Convention and Precinct Meetings which are to be held on the same date in 2018. Seconded. Motion Passed.

Chair Ken Henson Appointed Vice Chair Debbie King as head of the Convention Committee and to pay up to \$500 to reserve a suitable location.

Discussion.

10.5) 2018 Headquarters: Discussion - Headquarters are historically open September through November. Committee will start looking for a place to rent.

10.6) Power 2020: Vice Chair read from the State Report.

11. Announcements: Audit for 2017: We will appoint an audit committee. Discussion followed.

Lynda Bennett made a motion that the executive committee plan to have a closed session during the next meeting to discuss the audit. Seconded.

Motion passed.

Meeting Adjourned 8:26 PM

[Note: The blue underlining was made by Terry Ramey, who attended the meeting. You know Terry Ramey, don't you?]

Lynda Bennett is the HCGOP Secretary, and under the section of Roll Call, she uses the nomenclature of [Title, Name, Precinct]. An example is "Ch., Jonie Cure WW", however in this example, she spelled Jonnie's name wrong and has her associated with the wrong precinct. Going down further, under Guests:, I am listed as "Ch. Monroe Miller AC". That means I had been logged in and recognized as Precinct Chair for Allens Creek.

Ken Henson pulled me outside before the meeting started, saying we had to talk. He told me that people were not coming to the meeting because I had said I was going to be there. He said it is the prerogative (Ken did not actually use that big word) of the Chair to throw out anyone he chose. So instead of having the Executive Committee throw me out of this meeting as they did on November 6, he alone was going to throw me out. I told him he had to call the meeting to order first. I also said to him, among other things, that he never sent me any written notice that the Executive Committee removed me as Allens Creek Precinct Chair. Upon reflection, it appears they never did. Sure enough, only the real die hard's drifted in, and the meeting

was delayed until we reached a quorum. We had the pledge, invocation, and Debbie King did not take roll, but whispered to Ken we had a quorum. Ken then threw me out.

The minutes are incorrect when Lynda wrote the sentence during the discussion about throwing me out, when she wrote "Monroe Miller requested that the Decision be put into writing and sent to me". I had actually requested that I wanted it in writing that when the Executive Committee held the Kangaroo Court, throwing me out as Precinct Chair, I wanted that in writing, not anything to do with the discussion to throw me out of the November 6 meeting.

After the officers reports, the next section outlines the Executive Committee voting to reimburse Ted Carr for T Shirts he bought prior to the Fair, same as they had chastised Jeremy Davis for doing. What a bunch of hypocrites.

Anyway, still looking for those six (6) items from you all.

- Signed Resolutions from District 11, which should have been presented to the Executive Committee,
- Signed Resolutions from HCGOP, which should have been presented to the Executive Committee,
- An indication if you, Robin, knew how to use e-mail and were going to send the Haywood 5 notice that four of us have been banned and one had been dismissed,
- Could you have either Tom Stark or "Dallas Woodhouse here" send us a copy of the affidavit with the Notary Seal?,
- Can you urge Kebbie (i.e. Ken Henson and Debbie King) to send me an official notice from the "Fair and Open Hearing" HCGOP Kangaroo Court Closed Meeting of August 3, 2017, you know, the one you send John Lewis to chair the meeting,
- Your concurrence that Ken Henson should resign as HCGOP Chair for being a hypocrite regarding the Ted Carr fiasco of getting reimbursed for selling T shirts at the Haywood County Fair that he personally bought in advance.

Congratulations Monroe that's great news.

So the HCGOP chair is preventing you from doing your duly elected function as precinct chair by having you removed every meeting?

Sounds like a court case to me.

He was by all means allowed to do his duty up until November 11, 2017, when the NCGOP Executive Committee charged him with party disloyalty and a ban from serving in any capacity in the NCGOP or its affiliates for five years. The minutes are dated November 6, five days prior to the committee meeting. Even though the minutes were recently distributed, the minutes were simply describing that meeting, in which case he was indeed still Precinct Chairman.

As for the conversation with Ken Henson, you have explained that it was in a one-on-one setting, and there were no other people present to agree to your statement, therefore hearsay.

It was good to see you at Rep. Clampitt's fundraiser, Monroe. I hope that you will continue to support Republicans like him moving forward.

By the way, your "hearsay" comment, that is a darned good reason to record everything. Try to convince Kebbie of the virtues of that.

It appears you are clueless about the corruption in the Haywood GOP leadership..
Monroe is being removed from all meetings not just this one.
Many Good Christian Conservatives are being removed from all meetings.
And under the claim of Closed session (that's what they say Michele Nix has told them to do every meeting) Only executive voting members should be allowed to set in..... THAT IS NOT THE CASE !! Kebbie (Ken and Debbie) are allowing SOME folks who are NOT on the executive committee to set in on meetings, while Removing other Republicans from the meeting. To make this easier for you, think of the word "Selective Enforcement" To hear them tell itMichele Nix has instructed the HCGOP to use Selective Enforcement to allow only the folks that agree with them to come to meetings... Not the way it should work. Were you not told Kebbie Henson stated openly in the meeting he/she had the power to remove anyone he/she wanted ???
Think about it Isaac , is that the way it should work ??
The HCGOP leadership and Michele Nix Should Support ALL the republicans in Haywood County ... Not just the ones who agree with their Progressive Establishment agenda
What do you think Isaac ??

This e-mail is revealing on multiple levels...

- Aubrey Woodard sent this to me, not Isaac. Hopefully, it eventually got to Issac.
- I sent my response to Isaac on Jan 11, at 2:26pm, and Aubrey sent his out later that day (to me) at 6:43pm.
- Isaac blew up the whole validity of the "Fair and Open" HCGOP Kangaroo Court Hearing removing me as Precinct Chair, the one Aubrey attempted to throw me out, but it took two Haywood County Sheriff's Deputies to do. This young twerp undercut both you and Aubrey.
- Lynda Bennett (wife of Pat Bennett - see: <http://haywoodtp.net/pubII/180115NCREC-ComplaintAgainstPatBennett.pdf>), validated my current title of HCGOP Allens Creek Precinct Chair when she referred to me as "Ch. Monroe Miller AC".
- HCGOP never sent me written notice of my being removed as Precinct Chair, so Isaac's logic is faulty, claiming that the NCGOP Executive Committee threw 4 of the Haywood 5 out on Party Disloyalty charges, is valid, because you, Robin, have never sent the Haywood 5 any written notice of this expulsion.
- Obviously, Aubrey does not have a tight reign on this young twerp (Yet).
- There appears to be a general order floating about to cease communication with "members of the Alliance".

Come on Robin, let's get a little tighter grip on your troops.

By the way, did you see where Lynda Bennett's husband, Pat Bennett is in the news, all connect to and with our Waynesville Mayor Gavin Browns problems with a complaint from the North Carolina Bar Association and slapped with two Grand Jury Indictments? Lynda's husband is mentioned prominently in both of these complains, so I thought I would bring this to the attention of the North Carolina Real Estate Commission and slap him with a complaint. Pat Bennett was one of the Precinct Chairs that voted against me in the HCGOP "Fair and Open" Kangaroo Court Hearing and at the NCGOP Executive Committee Kangaroo Hearing on Party Disloyalty. Let see if Pat is able to hold on to his real estate license now.

See: North Carolina Real Estate Commission - Complaint against James Patrick Bennett of Bennett-Piper Enterprises, Inc. 1/15/2018...

Hey Robin,

Mike Clampitt is doing a town hall in sleepy little Haywood County this afternoon. HRA has been putting out e-mail flyers, and HCGOP finally put out two fliers, one at 10:29pm last night, and another at 7:14am this morning. Myrna Campbell, Chair of the democrat party in Haywood County has been busy. She put one out yesterday also. See her message posted on www.haywoodtp.net.

Mike Clampitt Town Hall Meeting. An important message from Myrna Campbell, Chair of Haywood County Democrat Party- 'To all democrats, Mark your calendars and attend if possible'. Translation - Attention all Hecklers - come and heckle Clampitt! 1/25/2018. 1/26/2018...
Don't worry, I'm sure some folks from HRA will show up and support Mike.

By the way, Ken Henson threw me out of the last HCGOP meeting, saying he could do so on a whim. Well, I would like to see that in writing from someone (maybe you, Tom Stark, Dallas Woodhouse, Aubrey Woodard, anyone?), because after Ken Henson lied his [Expletive Deleted] off in Donna Forga's courtroom in my hearing against CHARLES DOUGLAS WRIGHT, I don't believe anything Ken Henson says.

Also, don't forget, you still owe us (The Haywood 5) a bunch of stuff... still looking for those six (6) items from you all.

Robin,

Someone from NCGOP needs to kick Pat Carr, HCGOP Treasurer, in the [expletive deleted] - HCGOP does not appear to have filed their required on-line report with NCBOE yet!

<http://cf.ncsbe.gov/CFOrgLkup/DocumentGeneralResult/?SID=STA-C4232N-C-001&OGID=4531>

If a report is not submitted in a timely manner, HCGOP is going to get slapped with yet another fine.

By the way, Mike Clampitt's Town Hall was interesting and informative. Minimal disruption by democrat hecklers. I wonder if it was because there were over A DOZEN HAYWOOD COUNTY DEPUTIES AND DETECTIVES floating about. I wondered if I was in the right spot, because I thought it was a Haywood County Deputy Convention. There were also a whole bunch of District 11 people there, including Aubrey Woodard, the young twerp - Isaac Herron, and Fremont Brown. I would estimate that Republicans outnumbered Democrats this time.

Also, don't forget, you still owe us (The Haywood 5) a bunch of stuff... still looking for those six (6) items from you all.

This character used to be Buncombe County Republican Party Chair. Also, when you get a chance, take a look at the following Buncombe County Criminal Case Files:

16CR707149
17CR093326
18CR700125
18CR700658

These are various assorted charges for Simple Worthless Check (\$719.74), Driving While License Revoked, etc., etc., etc... Haven't found the OFA-non Support charge yet.

It has been brought to my attention that you may have paid this character's filing fee for running for some public office. If you did, I would try to get it back, but don't take a check.

In the meanwhile, still looking for the information you still owe the Haywood 5:

- Signed Resolutions from District 11, which should have been presented to the Executive Committee,
- Signed Resolutions from HCGOP, which should have been presented to the Executive Committee,
- An indication if you, Robin, knew how to use e-mail and were going to send the Haywood 5 notice that four of us have been banned and one had been dismissed,
- Could you have either Tom Stark or "Dallas Woodhouse here" send us a copy of the affidavit with the Notary Seal?,
- Can you urge Kebbie (i.e. Ken Henson and Debbie King) to send me an official notice from the "Fair and Open Hearing" HCGOP Kangaroo Court Closed Meeting of August 3, 2017, you know, the one you send John Lewis to chair the meeting,
- Your concurrence that Ken Henson should resign as HCGOP Chair for being a hypocrite regarding the Ted Carr fiasco of getting reimbursed for selling T shirts at the Haywood County Fair that he personally bought in advance.

Hey Monroe

Question...

Is this the same Buncombe GOP Chair that told 13 Executive members (including yours truly) of the Haywood GOP attending a 11th District GOP monthly meeting , that if they even spoke they would be forcibly removed from Ryan's Steakhouse in Asheville ??

Robin and Dallas,

I received a personal invitation to attend the HCGOP Executive Committee Meeting from Ken Henson, to be held at the Colonial Annex on 3/20/2018 at 5:00 pm. (See the attachment). I plan on attending. At the last meeting, Ken Henson said he had the authority to throw me out of the meeting, which I complied with. This time, I want to see it in writing that he has that authority. Maybe Tom Stark can help out here.

More news in sleepy little Haywood County, and a lot of it has to do with that bat-[expletive deleted] crazy woman Debbie King. See two new links on my website:

18CVS116. Motions to Dismiss. Amanda Martin (representing Jeremy Davis and Richard West) vs. Rusty McLean (Debbie King). Eddie Cabe is Pro-Se (that means he is doing it himself against Rusty McLeand and Debbie King!). 3/16/2018...

Feeling bored? Try for Fun! Go to Google.com and type in "Debbie King Haywood County NC Images". 3/17/2018...

Miller: You are currently under a No Trespass Order than you are legally prevented from attending this or any other NCGOP event on properties we maintain and control.

You have no legal right to attend, no do we have any obligation to provide you anything and we will not be doing so. This as forwarded to the local authorities, is a legal notice for you to stay away from our property. We have told you this many times before and you have been served legal notice via courier.

We are a private organization and have full control who is invited to our events and who is not.

You are not invited. You have been served multiple legal notices that you are banned. Should you defy these legally binding orders we will have you arrested.

You may also take this as legal notice that your continued emails to me, Chairman Hayes, our local and/or State Officers are not welcome and constitute harassment.

You are bound under multiple state and federal cyber-stalking and other laws to stop this. We have no desire to communicate with you on any matter, now or in the future.

We have met our legal obligation to inform you of this MULTIPLE times. We demand you leave us alone.

This is notice once again that you are to CEASE AND DESIST contacting myself, Robin Hayes, Michele Nix, any and all officers of the North Carolina and Haywood County Republican parties.

Should you not do so, we will seek a restraining order and work to have you prosecuted under the full extent of the law.

As the North Carolina Republican Party Executive Director, I have the legal authority on these matters as granted to me by the North Carolina Republican Party.

Once again, we demand that you stay away from our events and properties and leave us alone.

Dallas Woodhouse

North Carolina Republican Party Executive Director.

Tom,

Did you just get this e-mail from Dallas Woodhouse [see below in red] (of course you did, you were the only other person copied). It appears as though I may have caught Dallas on a hangover Sunday Morning, because what I got was almost unintelligible (although he is now at the 9th grade writing level).

I'll address Dallas's e-mail sentence by sentence....

As you must be aware, you sent Jeremy Davis and Eddie Cabe a "No Trespass" letter. I did not receive one from you. By the way, that letter was shown to our Haywood County Sheriff, Greg Christopher, and he indicated he would not enforce that letter. Since the HCGOP meeting is going to be held in Canton, I would presume that the Mayor of Canton would be involved in directing the Canton Police Chief to enforce a non-existent "No Trespass" letter. The Mayor of Canton is non other than Zeb Smathers. Zeb is Ken Henson's wife's son-in-law. He is also the same character that defended CHARLES DOUGLAS WRIGHT in Donna Forga's court against the charge of communicating threats. Donna Forga dismissed the case. That was where Ken Henson lied his [expletive deleted] off when he said he could not remember CHARLES DOUGLAS WRIGHT saying "BACK OFF, OR THERE WILL BE BLOOD RUNNING OUT OF BOTH YOUR EARS". Tom, if you would like to roll the dice and send me a "No Trespass" letter, please do so. It will be attached to the next grievance I file against you with the North Carolina Bar Association.

I have every legal right to attend. I have never received any letter from HCGOP, District 11 or NCGOP informing me that I was stripped of my elected position as Allens Creek Precinct Chair or banned from holding NCGOP office for the next five (5) years. I was referred to in the last HCGOP minutes (included in this e-mail dialog) addressed as Allens Creek Precinct Chair. I don't respond to "legal notices" sent from an iPad, as Dallas has indicated. Why don't you send me a written one by courier? I have only received two (2) notices from you all (via courier):

- A Notice of Hearing of the "Fair and Open Hearing", on July 20, 2017 sent from HCGOP, and
- A letter from you dated September 28, 2017 regarding the Party Disloyalty hearing in Cary.

I have repeatedly requested anything in writing from you and anyone else regarding the "Fair and Open Hearing" and the results of the State Executive Committee Meeting in Cary - but nothing.

I am invited. See again my personalized invitation from Ken Henson. I have never been served any legal notice that I have been banned. Nothing to defy, as I have never been sent any legally binding orders (other than e-mails from Dallas Woodhouse' iPad, which I don't consider a legal binding notice).

You are all public officials, just as Debbie King is a public official, and all of my e-mails apply a peaceable, nonviolent and nonthreatening activity intended to express political views and provide lawful information to others. All of my e-mails conform to:

Pursuant to Proper Etiquette and N.C.G.S. § 14-196.3, this e-mail conforms to Section (e) which applies to any peaceable, nonviolent, or nonthreatening activity intended to express political views or to provide lawful information to others. This section shall not be construed to impair any constitutionally protected activity, including speech, protest, or assembly.

§ 14-196.3 is the NC General Statute on Cyberstalking, one that I am well familiar with as SAVANNAH SIMONE TEDESCO's case against me was dismissed. You won't find anyone more careful about what goes

into an e-mail than me.

Dallas ordering me to CEASE AND DESIST would have more weight if it were coming from you. Why don't you send me a letter to CEASE AND DESIST, and I will also attach that to my next grievance against you with the NC Bar Association.

I am planning on attending the HCGOP meeting this coming Tuesday with my personally engraved e-mail invitation from Ken Henson.
