**Subject:** Transcript from recording 160922\_002 from 17:11 - 18:00.

The following is a partial transcript from the second of two audio recordings made on September 22, 2016 at the Haywood Republican Alliance (HRA) headquarters. The meeting was called by **Lynda Bennett** and attended by about twelve people, for the purpose of organizing volunteers for the November election.

The meeting started at around 5:34 pm, and ended at approximately 6:40 pm. I was asked to turn off my audio recorder [re: 160922\_001, 24:48 minutes in total duration] at around 6:00 pm by **Ken Henson**. **CHARLES DOUGLAS WRIGHT** then communicated a threat to me, stating "BACK OFF OR ELSE THERE WILL BE BLOOD RUNNING OUT BOTH YOUR EARS", [re: 16 CR 53432]. I then turned my recorder back on [re: 160922\_002] for the rest of the meeting, which took a decidedly different tone.

This portion of the transcript occurs at 17:11 into the recording until about 18:00 [re: 160922\_002, 36:39 minutes in total duration].

I have sectioned out this segment of the recording into a smaller audio recording. The people you will hear during this segment are:

- **Ken Henson**, Chair of HCGOP
- **Lynda Bennett**
- Eddie Cabe

---

**Ken Henson:** Here's - here's our whole problem, just explaining it. We have, don't mention Donald Trump. but until Kevin Ensley's gone, I don't believe you can ever do anything, because Kevin Ensley's got in someone's head until he lives in their head. And we can't get anywhere.

**Lynda Bennett:** I think [Unitelible.]

**Ken Henson:** Kevin Ensley is done. Kevin Ensley is done. Kevin Ensley will not win the election this time.

Eddie Cabe: If you see him on the voter cards he will. If you see him on the voter cards he will. You put his name on there under Donald Trump and there's 90% of the people in this county that will that are not educated enough to do their own research and to know what's going on. And you put his name under Donald Trump ...

**Lynda Bennett:** (interrupting Eddie) I'd rather have Steve Brown [D] than Don... - than Kevin Ensley [R], for sure. I know Steve [D] will call me up and ask me what to do.

Eddie Cabe: What about Robin Green Brown - Black [D] - that's who I would vote for.

**Lynda Bennett:** She's excellent.

Eddie Cabe: I agree. Very fiscal conservative and extremely good lady.

End transcription.

Wait a minute!

HCGOP and NCGOP charged me with Party Disloyalty for endorsing Robin Green Black over **Kevin Ensley**!

Here **Lynda Bennett** is publicly indicating she prefers Steve Brown [D] and Robin Green Black [D] over **Kevin Ensley** [RINO]. Perhaps we should revisit the whole Party Disloyalty charge and swing the net a little wider to include **Lynda Bennett**.
