Subject: Pat Bennett attended 9/22/2016 Lynda Bennett “Never Trump” meeting? I don’t think so...

In an article written by Bill Moss in the Hendersonville Lightning on 2/2/2020 entitled ‘**Never Trump’ tape’ has been doctored more times than Pelosi’s eyes,**’ **Bennett says**, the following appeared:

“Pat Bennett, Lynda’s husband, said his wife worked tirelessly for Trump’s election. He was at the Freedom Caucus campaign event on Saturday. **He said he was standing in the back of the room during the September 2016 meeting.**”

Well, I can’t let that go by unchallenged. He was not.

From : [Partial Transcript from Audio Recording of 9/22/2016, Lynda Bennett and Ken Henson at HRA headquarters, re: organization of volunteers for the November Election. 9/22/2016. 12/23/2019...](#)

The following is background of two audio recordings made on September 22, 2016 at the Haywood Republican Alliance (HRA) headquarters (not HCGOP headquarters). The meeting was called by **Lynda Bennett** and attended by about twelve people, for the purpose of organizing volunteers for the November election.

The meeting started at around 5:34 pm, and ended at approximately 6:40 pm. I was asked to turn off my audio recorder [re: 160922_001, 24:48 minutes in total duration] at around 6:00 pm by **Ken Henson**. **CHARLES DOUGLAS WRIGHT** then communicated a threat to me, stating “BACK OFF OR ELSE THERE WILL BE BLOOD RUNNING OUT BOTH YOUR EARS”, [re: 16 CR 53432]. I then turned my recorder back on [re: 160922_002] for the rest of the meeting, which took a decidedly different tone.

Additionally, I took hand written notes during the meeting, which included an attendance list of everyone present. My notes are on the following page. This has been lightly redacted. However, none of the people in the attendance list who were redacted was **Pat Bennett**.

Pat Bennett’s statement was disingenuous.
