This recording, 160922_002.MP3, starts at approximately 6:04 pm at the HRA headquarters. Remember, I had just been threatened by **CHARLES DOUGLAS WRIGHT**, stating “BACK OFF OR ELSE THERE WILL BE BLOOD RUNNING OUT BOTH YOUR EARS”. As you can imagine, I was a little upset, and I was not going to have **Ken Henson** tell me to turn off the recorder again, no matter what.

The whole tone of the meeting changed, and that included that of **Lynda Bennett**.

At approximately 1:19 into the recording, **Lynda Bennett** started screeching that she was a Never Trumper. This is the segment that was copied into the various You Tube recordings, that **Lynda Bennett** claimed the ['Never Trump' tape 'has been doctored more times than Pelosi's eyes,' Bennett says](#), a hoax, Fake News, misleading, etc., fill in your own adjective.

Obviously, **Lynda Bennett** was riled up.

Lynda Bennett was standing away from me by the lengths of two white fold-up tables. I had my recorder on the table, which she could clearly see, and I pointed to it, after her tirade. **Lynda Bennett** announced that she was being factious.

If **Lynda Bennett** was being factious, why has she never used that excuse for her behavior, but rather used every other excuse in the book - ['Never Trump' tape 'has been doctored more times than Pelosi's eyes,' Bennett says](#), a hoax, Fake News, misleading, etc.

Additionally, in practically the same breath, she goes on to further criticize Donald Trump by saying Trump “says all kinds of weird things. I don’t know what he is going to say next”.

Expect that **Lynda Bennett**, after her memory has been refreshed by this audio recording, will change her excuse for the Never Trump recording to: “Oh, I was being factious.”

Lynda Bennett continues to bash Republicans. At 17:49 into the recording, she says she would love to have **Steve Brown** [D] than **Kevin Ensley** [RINO].

Wait a minute!

HCGOP and NCGOP charged me with Party Disloyalty for endorsing Robin Green Black over **Kevin Ensley**!

<https://www.haywoodtp.net/pubTP/T161102.pdf>

Here **Lynda Bennett** is publicly indicating she prefers **Steve Brown** [D] and Robin Green Black [D] over **Kevin Ensley** [RINO]. Perhaps we should revisit the whole Party Disloyalty charge and swing the net a little wider to include **Lynda Bennett**.

Here are the summary's of Part II of the 9/22/2016 recording [160922_002.MP3].
