Never Trump Lynda Bennett Is With THEM.

She said so herself!

“But I’m Never Trump, so now what? What are you going to do? You’re gonna ask me to get out there and help Trump get elected and you want me to help organize 100 people to come and work the polls to get Trump elected when I am not for him, I am against him. Never Trump! Never Trump!” – Lynda Bennett

When it comes to supporting our President and his agenda of Making America Great Again, there’s no difference between a socialist liberal and a “Never Trump” RINO like Lynda Bennett.
