Subject: Voting Stats for the last election in November.

- Did you know that the list of everyone that voted in Haywood County during the last election (and every election) is public record?
- Did you know that you are assigned a VRN (Voter Registration Number)?
- Did you know that VRN was copied onto your voting ballot if you did Early Voting (Absentee OneStop) and possibly other methods of voting except In Person voting?
- There are seven (7) voting categories:
 1. Absentee by Mail
 2. Absentee Curbside
 3. Absentee OneStop (also known as Early Voting)
 4. Curbside
 5. In Person
 6. Provisional
 7. Transfer.
- There are six (6) party affiliations that voted in the last election:
 1. CST (Conservative Party)
 2. DEM
 3. GRE (Green)
 4. LIB
 5. REP
 6. UNA

I requested the November 2020 voter records and decided to do “Statistics for Fun”. I did not know or understand the voter breakdown from the last election. Here it is...
