

3 Minute Public Comment,  
April 5, 2021

Ever since **Bryant Morehead** and the County Commissioners approved a rule change to skip discussion on Consent Agenda items, sometimes things get placed in there that simply require more explanation than is provided in the Regular Agenda. One such item is number 7 on this consent agenda:

7. Request approval of application to the Public School Capital Fund for lottery proceeds to pay for renovation cost(s) of Central Elementary School K-1 building in the amount of \$250,000.

Tracy Wells provided no information as to this expenditure.

When this item is reached in your consent agenda items, Chairman Ensley, please do one of the following:

- Open this for discussion, and have the presenter, Kristian Owens, explain what these renovations are on a school that is currently closed and why this involves a quarter of a million dollars from the lottery proceeds, or
- Move the item to the Regular Agenda.

Which ever works for you.

I appreciate your allowing time for me to express my concerns. Thank you.
