Cory,

<https://smokymountainnews.com/news/item/31149-cawthorn-s-first-republican-challenger-appears>

This woman can't hold a job for more than a couple of months.

Nine jobs in the last 8 years, the only one she held over a year was being director of Stay at Home Moms. Working now for Van Winkle.

She should be relatively easy to take out (and I don't mean dinner).

All the democrats seemed to have crawled out of the woodwork. Nothing to worry about there.

Recommendations

A preview of what LinkedIn members have to say about Wendy:

“ It is an honor and a privilege to recommend my student, my friend, and my honorary shipmate, Wendy Nevarez to you. Wendy and I first met at UNC Asheville where she was kind enough to bring her energy, her wit, her integrity, and her brilliance to my classroom. Her leadership skills were evident in the classroom and around the campus. As her professor I learned much from this loving Mom, this U.S. Navy veteran, and this hard-working, multi-dimensional woman. I have been fortunate to have her count me among her friends, and I hope our courses continue to intersect along our respective journeys. Wendy
