Subject: Certificates of Occupancy for Our Place Inn and Scottish Inn, Maggie Valley.

The following [original] Request for Public Information was made to **Bruce Crawford**, (who I thought had retired) for information on Certificates of Occupancy for Our Place Inn and Scottish Inn, both in Maggie Valley. I copied the Maggie Valley Town Planner, Kaitland Finkle.

Thus far, I have only received a response from Kaitland Finkle, who I was not expecting a response from. Ms. Finkle provided recent permit history for Our Place Inn. Note that her records do not contain reference to Electrical Permit #306.

Subject: Request for Public Information - CO's. #1

Mr. Crawford,

This is a Request for Public Information. I would like the CO's (Certificates of Occupancy) on the following two Inns, located in Maggie Valley (just like old times).

- Our Place Inn. There are three (3) separate buildings, don't know if a CO is required for each building.
- Scottish Inn

Both are located in Maggie Valley.

Please let me know if you are the correct person to make this Request for Public Information by acknowledging this request. If not, please forward this request to the custodian of this public information and please copy me when you forward it.

Thank you,

Monroe A. Miller, Jr.
