Subject: Shake-Up at the Mountaineer! New Editor. Vicki Hyatt demoted to “Writer”.

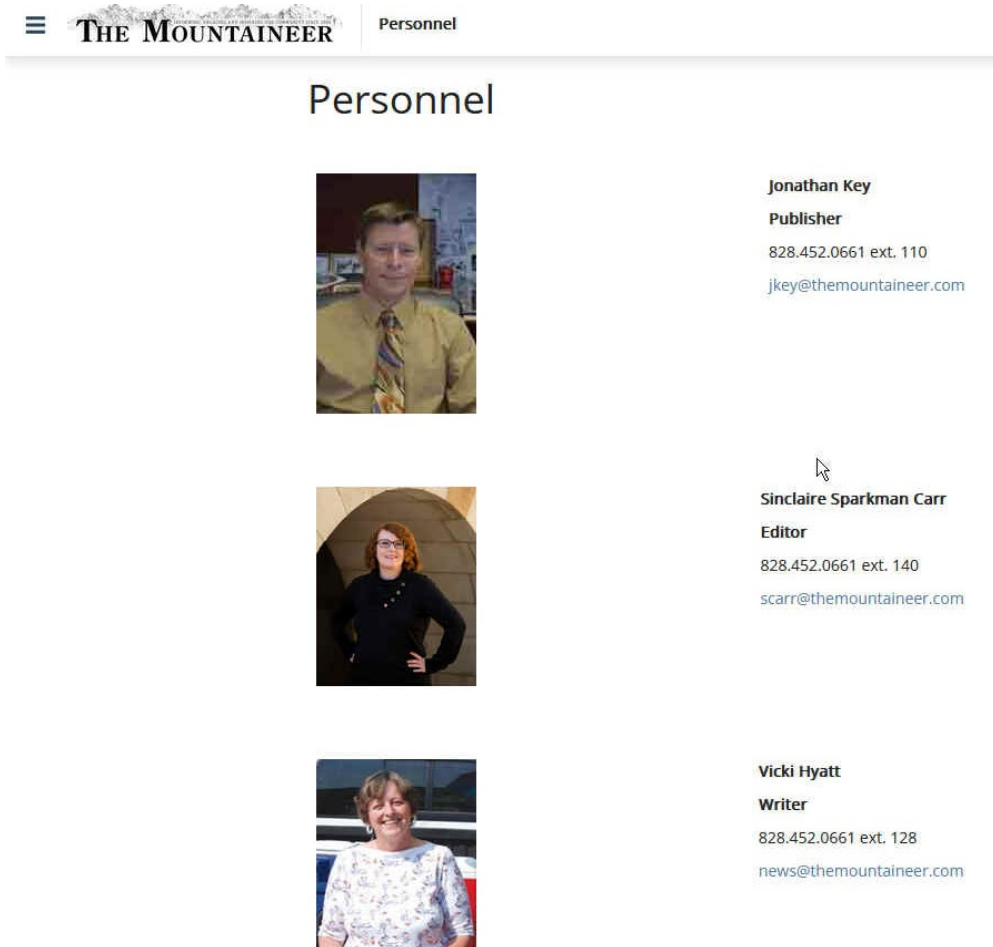

Curious that this announcement will be made on www.haywoottp.net , but there is a Shake-Up at the Mountaineer! Thanks to a tip from Dumb-as-a-Brick Mountaineer Reporter **Becky Johnson**, I got wind that there is a new Editor in town.

The new Editor is Sinclair Sparkman Carr, [re: <https://www.themountaineer.com/site/personnel.html>],

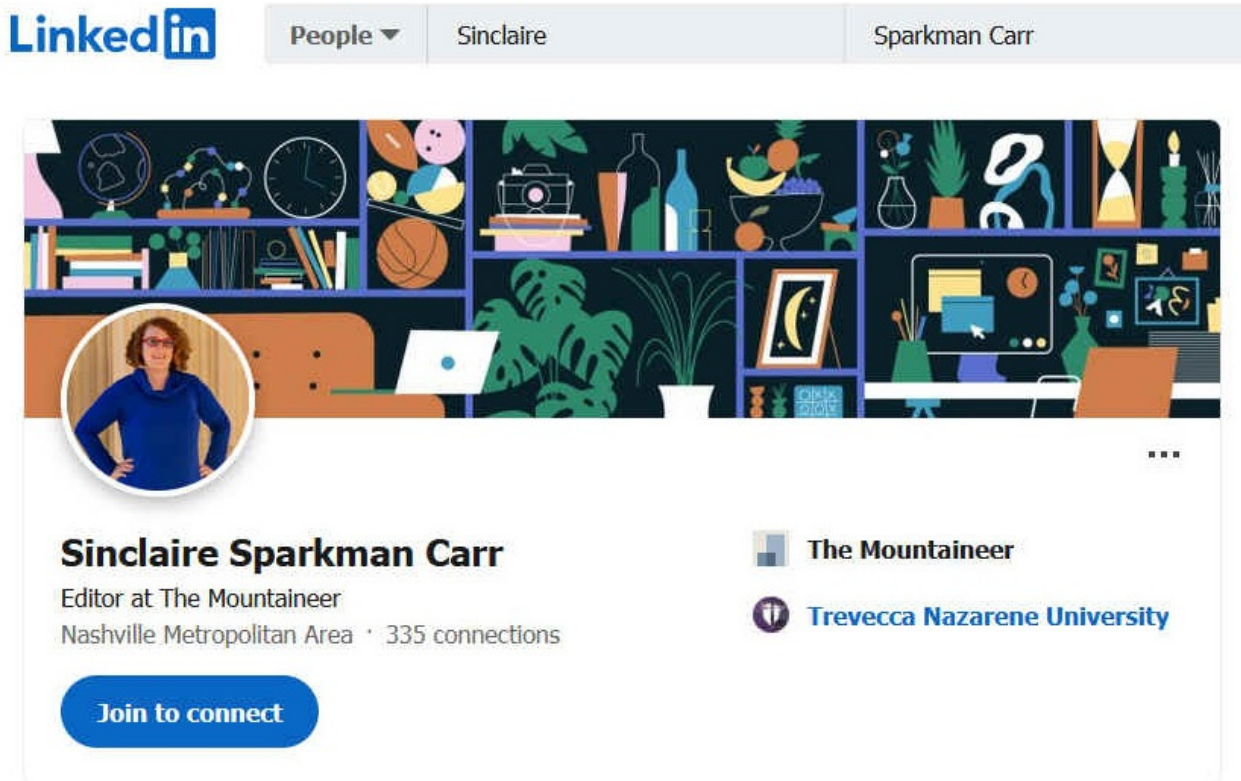

The screenshot shows the 'Personnel' page of The Mountaineer website. At the top left is the logo for 'THE MOUNTAINEER' with a hamburger menu icon to its left. To the right of the logo is the word 'Personnel'. Below this is a large heading 'Personnel'. The page lists three individuals with their photos, names, titles, phone numbers, and email addresses.

Photo	Name	Title	Phone Number	Email Address
	Jonathan Key	Publisher	828.452.0661 ext. 110	jkey@themountaineer.com
	Sinclair Sparkman Carr	Editor	828.452.0661 ext. 140	scarr@themountaineer.com
	Vicki Hyatt	Writer	828.452.0661 ext. 128	news@themountaineer.com

Notice that Liberal Hack News Editor **Vicki Hyatt** has been demoted to “Writer”. **Vicki Hyatt’s** new title becomes Liberal Hack Writer.

Alternatively, and it was posted on LinkedIn over a month ago, when Sinclair Sparkman Carr proudly announced that she was the new Editor of the Mountaineer.

Jonathan Key is doing all he can do destroy his readership by now charging people to read articles on the Mountaineer. How is that working?

[**Editor's Note:** With a little work, article content is provided in the html source code, for Free! See:

At the rate **Jonathan Key** is driving the Mountaineer into the ditch, I don't expect it to be around in another year.

Let's see how long it takes the Mountaineer to make the new announcement about their new Editor. I expect they will soften the landing for **Vicki Hyatt**, saying something like she wants to spend more time writing and spending more time with her grand kids on the farm.
