Subject: 22CR50955. What do these doggie photos have to do with ASSAULT OF A FEMALE?

Here are some great doggie photos of a German Shepard, named “Sarge”. What do these photos have to do with case file 22CR50955 - **Ed Smathers** ASSAULT OF A FEMALE?

These two photos were frame/screen grabs from a video taken 4/22/2022.

[.mp4. Hey, Zeb Smathers! Check out this newly released, full 120 second, video of Ed Smathers assault on Lois Hollis. You got your work cut out for you defending this piece of work. Say Zeb, are you related to Ed? 7/2/2022...](#)

The photo above on the left, shows the doggie, “Sarge” as a witness to **Ed Smathers** shoving his hand through Lois Hollis car window seconds before the ASSAULT. “Sarge” is actually a witness to the ASSAULT.

The guy in the background, is Ray E. Roberts, a witness called by bottom feeding lawyer (who is also Mayor of Canton) **Zeb Smathers** during the hearing, who could not see the assault, because **Ed Smathers** blocked his view. **Zeb Smathers** should have called “Sarge” as a witness. (Woof!)

The photo on the right are **Ed Smathers** two (2) dogs, happily trotting off to guide Lois Hollis the rest of the way to her house after the assault. (**Sharon Ramsey** in the background by the shed. She was not called as a witness to the attack because she was nowhere nearby.)

The following photos were taken 11/18/2022 (after **Ed Smathers** was found guilty of the ASSAULT ON A FEMALE), between 12:47 -12:49pm, while **Ed Smathers'** dog “Sarge” was roaming back and forth between 123 back yard and 155 front lawn on Johnson Hill Road.
