Subject: Worksheet for re-establishing Terry Ramey meeting with DSS, originally scheduled for 2/22/2023.

Update! Evidently, **Mark Jaben, Sarah Banks, Ira Dove** and **Bryant Morehead** have crawled into the same bunker used by **David Francis**. They are nowhere to be seen or heard from. They have had over a month to come up with a time when they can meet with Terry Ramey, and nothing. Their word is [expletive deleted].

I have modified the original worksheet table, in the hopes that someone will cough up a new suggested meeting date. Let's see where this goes...

Mark Jaben, Sarah Banks, Ira Dove and **Bryant Morehead** seem to be dragging their [expletive deleted]'s in making this meeting happened, you know, the one where **Mark Jaben** and then **Sarah Henderson** (although she was really **Sarah Banks**) stood shoulder to shoulder and committed to Terry Ramey about having a meeting to discuss "choices" regarding **Sarah Banks** request for \$75,735 to replenish money already spent by DSS.

In order to move things along a little bit, I initiated a little worksheet to assist **Mark Jaben, Sarah Banks, Ira Dove** and **Bryant Morehead** in getting their act together to figure out a time when this meeting can actually take place. See the one-way email dialog...

This is an attempt to re-start getting a meeting scheduled that you and **Sarah (Henderson) Banks** agreed to meet with Terry Ramey at the 2/6/2023 county commission meeting. As a starting point, I will use the original meeting date scheduled on 2/22/2023, a Wednesday morning at 8:00 am, in the teeny-tiny county commissioners conference room (unless **Ira Dove** agrees to move it to the DSS training room), for the next couple of Wednesdays, to check with you, **Banks**, and **Doves** availability. Terry Ramey (+4) are all available on those Wednesday Mornings. A copy will be sent to **Bryant Morehead**, since he seems to want to attend.

So please let me know (and copy **Bryant Morehead** if you wish) about your availability. Check it off and return to me.

Thank you,
Monroe A. Miller, Jr.
