

### **Municipal Candidates signing up for the November Election.**

There are two more days before the filing deadline ends for candidates to sign up for the Municipal Election in November. However, even at this point, there is a critical mass of people that have signed up that should be adequate to take out the entire list of incumbents in both the Town of Waynesville, and the Mayor of Maggie Valley. ### **Maggie Valley.**

Let's review Maggie Valley first. There is an entire section on [www.haywoodtp.net](http://www.haywoodtp.net) devoted to **Mike Eveland**, and you are encouraged to review, in Interesting Stuff Archives -

Jeff Lee has signed up to run against **Mike Eveland** as Mayor.

### **Town of Waynesville.**

There are multiple dedicated sections on [www.haywoodtp.net](http://www.haywoodtp.net) covering the Mayor and Town Council members of the Town of Waynesville. But first, who are the real people out to destroy the Town of Waynesville? For that, we have to go back to the January 7, 2022 issue of Toeprints,

### **Waynesville Pink Slip List.**

This is again a robust list of people that need to go. So, who gives these people the pink slip? Why the Board of Aldermen, who are part of the whole problem. So, as their election approaches in 2023, **all** of these people need to be replaced. They are:

**Gary Caldwell**  
**Julia Freeman**  
**Anthony Sutton**  
**Chuck Dickson**  
**Jon Feichter**

Now we get to the Pink Slip List. This list has also been arranged in order of priority, i.e., first to go should be **Elizabeth Teague**.

1. **Elizabeth Teague**
  2. **Rob Hites**
  3. **Martha Sharpe Bradley**
  4. **Byron Hickox**
  5. **Jesse Fowler**
  6. **Jeff Stines**
  7. **Susan Teas**
  8. **Ginger Hain**
- 

You see, in order to remove the folks from this Pink Slip List, the current incumbent Mayor and Town Council members have to be eliminated, as they staunchly support all of these people. Once the Mayor and Town Council members have been thrown out, the newly elected folks can toss away.

As mentioned, there is now a critical mass of new folks that have signed up as candidates, not including some additional people that might at there name before the filing deadline.

This is so exciting, can't wait for the November election.
