Courthouse Surveillance Security Video has been obtained¹ for the morning of 6/5/2023, showing **Cory Vaillancourt**, stalking like a predator, in the lobby leading into the Historic Courthouse courtroom where the mornings county commission meeting was about to take place.

That's me, minding my own business, walking into the courtroom.

¹ Video was provided to Terry Ramey from **Joey Webb, Jr.**, CGCIO, but I am still waiting to get my previous request from him about Terry Ramey's phone dump he gave to **Cory Vaillancourt**.

This is about the point that Terry Ramey received a bunch of spittle in his face from **Cory Vaillancourt**. **Joey Webb, Jr.**, CGCIO is gazing out the front window, seemingly oblivious to what is happening.

This is where **Cory Vaillancourt** was screaming and yelling, drawing my attention, at which point I started recording the now famous event, my 20 second video -

Looking to secure **Cory Vaillancourt's** video that he was taking, so I can plaster that all over the Free World.
