**Subject:** 23cvd845. New Hearing Date for Cory Vaillancourt 50-C, 9/20/2023.

**Cory Vaillancourt** and **Kyle Perrotti** both showed up for Terry Ramey's 50-C hearing this morning, accompanied by his lawyer, Fred Moody, out of Bryson City, in front of Judge Warren Hughes. Had to sit through the entire criminal calendar + Blue Sheets + Pink Sheets.

[Editor's Note: I never knew there were Blue and Pink Sheets.]

**Cory Vaillancourt** wore a coat and tie. WTF? First time I had ever seen that. Even with the coat and tie, he looked like someone had dragged a cat out of the washing machine. **Cory Vaillancourt** was served yesterday, but not the Subpoena yet. **Cory Vaillancourt's** lawyer asked for a continuance, so the next hearing is scheduled for 9/20/2023. **Cory Vaillancourt's** Subpoena should be served within the next day or two.
