Subject: Mystery Solved! Liam McLeod is the “Kid”. “Whose his Daddy”, Scott McLeod is the Daddy!

The mystery of the four (4) Anarchists who invaded the Dunkin Doughnuts Parking lot on the evening of 8/24/2023 has been resolved. They are:

- **Tera McIntosh**
- **Helen Ryde**
- **Chelsea White**
- **Liam McLeod**

Thanks to all in Haywood County for your diligent efforts to uncover this bunch. **Scott McLeod** has certainly been quite about his son, as he has had his hands full with another radical employee, **Cory Vaillancourt**.

Let’s go right to the email dialog. As usual, no response from **Scott McLeod**...

Say guys,

I need a little assistance here. This kid was hanging out with a bunch of anarchists in the Dunkin Donuts parking lot on 8/24/2023, including Tera McIntosh, Helen Ryde, and an unknown additional person taking pictures who has a 3 year old daughter whom this woman will never let mother her see (sounds like a candidate for a mental health program). Can anyone identify this kid? Looking to ask him who the woman with the 3 year old is.

Thanks in advance.

Then, **Liam's** name popped up during the hearing last Wednesday, 23cvs845, Terry Ramey v. **Cory Vaillancourt**. Let's see where this goes...

Scott!

Patience is a virtue.

I knew that I would be rewarded with the name of the "Kid" sooner or later. The results are now flooding in now from unlikely sources... Is his name "Liam"?

Who is this "**Liam**" that was hanging around with these Anarchists in the Dunkin Donuts parking lot on 8/24/2023, including **Tera McIntosh**, **Helen Ryde** and **Chelsea White**?

(Screen grabs from <https://www.haywoodtp.net/pubII/230824WhoIsThisAnarchist.MOV>)

Please help me out here, Scott! You should know who has a kid about this age from someone that either worked or is currently working for the smn tabloid.

Let me know.

I can always solicit additional assistance by putting this email on www.haywoodtp.net in one of my now famous email dialogs.
