### What’s Happening?

The purpose of this newsletter is to inform Haywood County Taxpayers of what transpires at the bi-monthly County Commission Meetings. This newsletter will be written from the perspective of a casual observer, myself. Any opinions expressed will be mine.

### Foreclosures.

How many foreclosures have there been in Haywood County over the past eighteen (18) months (1/1/2012 - 6/26/2013)?

No one I have asked seemed to know the answer.

I can’t asked **David Francis**, the elected Haywood County Tax Collector (under the newer title of Tax Administrator), as he is hiding in a bunker and refuses to answer questions.

Answer: 589, more or less. [re: Civil Papers Search Results]

### Coming up soon...

More on **David Francis**, Haywood County Tax Collector.

**Legend:** If any name is in **bold**, it can’t be a good thing. [RINO] Republican In Name Only (i.e. **Kevin Ensley**).
