### **What’s Happening?**

The purpose of this newsletter is to inform Haywood County Taxpayers of what transpires at the bi-monthly County Commission Meetings. This newsletter will be written from the perspective of a casual observer, myself. Any opinions expressed will be mine.

### **Been busy...**

Whenever there is an interruption in Toeprints issues, it is because I am busy. Look for the following topics soon...

- **June L. Ray**, Clerk of Superior Court,
- **David Francis**, Haywood County Tax Collector,
- **FLS** Solar Thermal system at HCC,
- **A bunch of lawyers.**

**Legend:** If any name is in **bold**, it can’t be a good thing.
