## What's Happening?

The purpose of this newsletter is to inform Haywood County Taxpayers of what transpires at the bi-monthly County Commission Meetings. This newsletter will be written from the perspective of a casual observer, myself. Any opinions expressed will be mine.

## Upcoming Topics.

Updates under Interesting Stuff on [www.haywoodtp.net](http://www.haywoodtp.net) will be held off until after the Christmas Holidays. Time to take a small break and wish everyone a Merry Christmas and Happy New Year.

Shortly thereafter, I will be covering the following topics and issues (listed here in no particular order) in upcoming Toeprints.

- Review origination of Emergency Management Ordinance (EMO) based on retrieval of 2009 County Commission Minutes.
- Upcoming grievances against **Kirk Kirkpatrick**, **Leon Killian** and **Ira Dove** for failing to uphold their oath of offices - violation of North Carolina General Statutes denying Mike Matthews taking the Oath of Office and appointment of an Interim Tax Collector, **David Francis**.
- Posting of video(s) of my being assaulted by **David Francis** at the Justice Center.
- Review of assessment of property owned by **Michael Sorrells** and exposing every attempt by **David Francis** and **Judy Ballard** to prevent this information from being investigated. Is it a wonder that commissioners were doing everything in (and outside) their power to keep **David Francis** as Tax Collector / Tax Administrator?
- Why did **David Francis**' title change to Interim Tax Administrator after the election?
- Review of comments by **Kirk Kirkpatrick** during the Constituent Concerns portion of the December 15, 2014 county commission meeting.
- Moving up in the world. Will begin to review (past and current) rulings by Judges (both District and Superior) in Haywood County, coinciding with reviewing the District Attorney's Office on prosecuting cases.
- **David Francis** relationship with Old Town Bank.
- **Pat Carr**, HCGOP Chair, and her comments in a recent Mountaineer Character Assassination Hit Piece by **Vicki Hyatt**.
- **Ted Carr**, and his failed attempt to be appointed to the Fairgrounds Board.
- **Julie Davis**' Bond Requirements. Why was it changed from \$50K to \$410K?
- Tax Administrator vs. Tax Collector Job Description, as defined by **Kathi McClure**, Haywood County HR Director.
- Instances where **Ira Dove**, County Manager, has refused to provide information based on Requests for Public Information.
- Posting of correspondence with **Susannah Cox**, NC Bar regarding my grievance against **Jim Moore**, candidate for D/A who lost the election.
- **Ashley Welch** [?]
- **Ira Dove**, who is holding three (3) Public Offices.
- **Tony Beaman**, Precinct Judge, who is holding additional public office(s).
- **MaryAnn Dark**, Marsh USA, Ohio Casualty, and issues with obtaining a Bond for Elected Tax Collector.
- **Tracy Wells**, contract employee hired by **David Francis**, paid by **Julie Davis**. Where is she now?
- Custodial Contract for Courthouse, **Dale Burris** and **Robert Inman**.
- **Julie Davis** and the mysterious chart of account numbers for paying off an unknown number of contract employees working, or have worked, for the county.
- Funding Formula for Haywood County Schools.
- Sentencing treatment of **Scarlette Heatherly** vs. **Jennifer Elizabeth Green Elliot**.
- **David Francis** and Karl DeKing's involvement to prevent neighborhood delineation mapping from being shown on the county website.
- **David Francis** and County Commissioners appeal of the PTC ruling against the Kings. Where does that stand?

**Legend:** If any name is in **bold**, it can't be a good thing.
