Vol. #7 Issue #13 (Subject: **Chuck Francis/Anne Garrett kill Video Recordings of Workshop Meetings.** )

### What's Happening?

The purpose of this newsletter is to inform Haywood County Taxpayers of what transpires at the bi-monthly County Commission Meetings. This newsletter will be written from the perspective of a casual observer, myself. Any opinions expressed will be mine.

### Kevin Ensley running for County Commissioner.

Here is a hypothetical question - Would **Kevin Ensley**, and his wife **Alice**, sacrifice the health and well-being of their daughter to further his political career as a County Commissioner?

### Chuck Francis Kills Video Recordings of Meetings.

It was reported in the Mountaineer that **Chuck Francis** has killed future video recordings of School Board Workshop meetings.

<http://themountaineer.villagesoup.com/p/school-board-has-stopped-recording-work-sessions/1556548>

"Board Chairman **Chuck Francis** announced Thursday before the meeting that minutes would be taken manually and no board members objected. Now, instead of using a video camera or audio recorder, Superintendent **Anne Garrett** will now be taking minutes at every work session."

Got burned on the last recording, did we?

I have come to observe through a lifetime of experience, that the only people who object to being video recorded are the bad guys.

But wait a moment!!! Who is going to be taking minutes?

### Anne Garrett.

Let's refer back to a previous Toeprints, Vol.7, Issue 9, <http://haywoodtp.net/pubTP/T160506.pdf> and read the e-mail at the end of that newsletter. Here it is, in part

---

**Anne,**

Do you recall at the end of your session at the County Commissioner Budget Work Session on 4/12/2016, where I handed you my hand written notes to look at? I had written:

- "Big Elephant in the Room".
- "Where will Administration Go?"

You said aloud: "We haven't even had a meeting about this. What are they going to do - kick us out?"

You lied to me. I am hurt.

You should think about resigning... (along with the entire School Board, that includes **Rhonda Schandavel**, and entire set of County Commissioners).

Are we to depend on this woman who lied to me to now take minutes on these very same issues at future workshop meetings? How can we?

It will be your job responsibilities to vote these people out of office. Craig Messer is running against **Chuck Francis** in the general election. See:

<http://haywoodtp.net/pubII/160728CraigMesser.pdf>

**Rhonda Schandavel** is part of this whole mess, so help insure that she is not elected as Representative.

### Swanger Countdown Clock.

The following is **Swanger's** remaining time as County Commissioner until a winner in November's election will be sworn in:

17 weeks, or  
118 days, or  
2,832 hours, or  
169,920 minutes, or  
10,195,200 seconds.

Legend: If any name is in **bold**, it can't be a good thing.
