### What’s Happening?

The purpose of this newsletter is to inform Haywood County Taxpayers of what transpires at the bi-monthly County Commission Meetings. This newsletter will be written from the perspective of a casual observer, myself. Any opinions expressed will be mine.

### What’s Going On at The Mountaineer?

Becky Johnson, Interim Editor, appears to be single-handedly changing the course of The Mountaineer, with her article in the Wednesday edition entitled: “The real story behind Terry Ramey’s tax bills”.

[**Editor’s Note:** What’s the first thing you notice in this issue of Toeprints? “The Mountaineer” title has been changed from “the mountaineer”.]

For an eternity, the newspaper was dominated by Liberal Hack News Editor **Vicki Hyatt**, and practically run into a ditch by **Jonathan Key**, the publisher. Becky Johnson, who used to work for the smn tabloid, was hired by The Mountaineer, but her name remained in **bold**, and was referred to as “A dumb as a brick reporter”.

Then, on September 22, 2022, Becky Johnson went un-bold.

The front page of The Mountaineer’s January 24, 2023 issue, dominated by four articles written by Liberal Hack Writer **Vicki Hyatt**, contained the headline: “Anti-vaxers prompt commissioners to table Covid vaccine grant”. In an unusual gesture, Becky Johnson (still un-bold) apologized for using the phrase “Anti-vaxers” as being derogatory.

It took over five (5) weeks since the smn tabloid went off the deep end with articles written by **Cory Vaillancourt**, “smn Staff” (**Scott McLeod**, **Kyle Perrotti**, etc.) including

- 2022: A Look Back
- Ramey makes false statements regarding delinquent tax issues
- Haywood commissioners issue joint statement on Ramey
- Etc.,etc.,

before The Mountaineer responded.

Then, in today’s issue of The Mountaineer - “The real story behind Terry Ramey’s tax bills”.

WTF?

For these series of articles, Becky Johnson gets

- an atta-boy,
- an m&m,
- un-bolded, and,
- Title of “Dumb as a Brick Reporter” has been removed.

Good behavior gets it’s rewards, while bad behavior does not.

Legend: If any name is in **bold**, it can’t be a good thing.
